## Cross Country Stars

On Tuesday we went to Towneley Park to take part in the mass cross-country event. There were LOTS of people there from different schools in Burnley.

We had to run around the triangle on the grass and it was really muddy! The last bit was up the hill to the hall. Mrs Young thinks that's really steep but we thought it was ok ☺ We both liked it because we got to run in the mud and we like running in mud.

Miss North would like to add how proud she was of the children because of the manner in which they offered each other support and encouragement. What fantastic children we have at our school!

## Reception Award Winners

It was lovely to be joined by our Reception Class children in assembly this morning. We are sure that everyone there will agree that they joined in like they had always been there!

This morning we presented the very first awards of the year to the Reception Class and we were thrilled to see them standing proudly on the stage. Thank you so much to our new Reception parents and grandparents for joining us. We hope you enjoyed it!

Here are Daisy, Elizabeth and Blake, the first Reception Class award winners of the year.

## Year Six Applying to Secondary School

Don't forget that we have a meeting organised on Monday 9<sup>th</sup> October at 6pm, to explain the high school admissions process and provide advice about making your choices. It will last no more than an hour and, as we are being joined by a local authority admissions officer, there will be opportunity for you to ask any questions you may have. We strongly advise that you attend.

## Dangerous Driving

Over the past week I have received a couple of messages from concerned parents regarding dangerous driving outside school at hometime. It was very worrying to hear that one of our parents had seen a driver texting whilst coming past school as all the children were leaving. It is not clear whether this was a parent collecting a child but, nevertheless, I feel compelled to ask everyone to take extra care around school.

If you are driving, please abide by the 20mph speed limit and ensure that your full attention is on your surroundings.

If you are walking with your children, please make sure that you keep a close eye on them to ensure that they are safe.

Many thanks for your support with this. I would hate for a child to be hurt leaving our school.

## Fire! Fire!

Year Three had a great day out at the Fire Museum on Wednesday. Mrs Young popped in to see them today to find out all about it:

We were greeted by Bob and Linda who took us into a classroom. We talked about the Great Fire of London. We already knew lots about it because of our topic work in class. Bob said that Theo knew so much, he wanted to offer him a job! Mrs Kayley says we're too young to go to work yet though.

After that we went into the museum and saw an old fashioned fire pump. We got to try it out. We also got to put the old masks and helmets on. There were lots of different types. Luca nearly fell over when he put the helmet on because it was so heavy! At the museum there was a fireman's pole too and some of us had a go. Thank you to Mrs Kayley and Miss Topping for organising such a fabulous day out for us.

## Old £1 Coins

Mrs Redman politely asks that parents do not make any more payments using the old £1.00 as they may miss next week's banking deadlines.

## Love from Low Mill

The Year Six children who have spent the week at Low Mill have had a marvellous time. The weather has challenged them on occasions but it hasn't dampened their spirits and the staff have been thrilled with their 'Can do!' attitudes. We have missed them in school and are looking forward to hearing all about their adventures on Monday. Here's a group after taking part in the gorge walking: lots of smiley faces and wet boiler suits! Check out our Twitter feed (@WorsthorneSchl) to see photographs of all the amazing things they have got up to.

## St John the Evangelist - Beetle Drive
