Twit Two!

Thank you to Miss Webley for making the learning in Year One so much fun on Tuesday afternoon.

At first, we were all a bit disappointed that we couldn't go down to Forest School but it's so muddy down there that we have decided not to use the site for a few weeks to give it time to recover. Instead, Miss Webley brought an owl-themed Forest School afternoon to us! Outside, we had to work very carefully with Miss Webley and Mr Parsons to make little wooden owls, using the bow saw. It was important to concentrate and follow the instructions so that we stayed safe. Inside, Mrs Spencer made felt owls with us. It was fiddly but with her help, we managed it. Mrs Young had the mucky job of dissecting owl pellets with us. It made us say 'yuck!' at first but once Miss Webley explained what they were, we couldn't wait to see inside. We were fascinated by all the tiny bones inside the pellets. We could see exactly what the barn owls had been eating! Wow!

Having fun learning together

The final promise on our School Charter is that we will all 'Have fun learning together'. We hope you'll agree that we try our best to make learning **fun** right throughout our school curriculum. This week, Years Three and Four focused on the **together** part, with the older children helping the younger ones to learn new skills in their PE lessons. We were all very impressed by Year Four's teaching ability. 😊

SATs Information Meetings: Y2 + Y6

We will be holding meetings for the parents and carers of children in Years Two and Six to help explain the arrangements for the statutory assessment tests which take place later this year. If you have a child in either of these classes, we urge you to come along to find out more and ask any questions you might have. The meetings will take place on Monday 5th March at 6pm in the Y2 + Y6 classrooms.

it's coming soon!

FRIDAY 9TH MARCH 2018

Doors open 6pm for a 6.30pm start

Can you dance, sing, do martial arts, perform tricks,
or have any other amazing skill you'd like to share?

This is the event for YOU!

Safer Internet Day

Next Tuesday is Safer Internet Day so there will be activities going on throughout school to promote the key messages about staying safe online. For more information about the theme for this year and advice for you at home, visit the Safer Internet Day website at <https://www.saferinternet.org.uk/safer-internet-day/2017>.

More Football News

Building on their win last week, our team has had even more success on the pitch this week. Well done to the boys on an impressive show at the Unity Cluster tournament where they played 5 games, winning 3 and drawing the other two. They go into the next phase of the tournament in second place and are hoping to hold onto that position to secure a place at the Borough Finals. Go, Worsthorne!

Find out about Growth Mindset

You are invited to join us for a **Coffee Afternoon on Friday 2nd March at 2.30pm** where we'll explain more about what the children have been learning and why we think it is so important. We'll look forward to seeing some of you. There will be cake!

Artist Visit in Reception Class

Reception Class were delighted to be joined by Ribble Valley artist, Bev Chapelhow, in class today. Bev has visited our school several times now and we all love working with her!

This morning, Bev explained her job to the children and taught them all about how to make different types of marks with their pencils. Afterwards the children filled pages in their sketchbooks with their new mark-making ideas.

In the afternoon, Bev showed them some of her own incredible work and very kindly allowed them to make marks onto it with her. The afternoon has ended with the children making prints of their marks, using polystyrene board and paint. Thank you to Bev for sharing her expertise and talent with us once again. What a fabulous job she is doing - inspiring

Safety First!

This is just a gentle reminder that we do not take responsibility for the children on site until 8.45am each morning, unless they are booked into Breakfast Club. Any children left on school premises, or at the school gates, before this time are completely unsupervised and may be at risk. Please think carefully about the decision you are making before leaving your child unattended.
