Award-Winning Scarecrows

What a wonderful event the Scarecrow Festival was this year. It was lovely to see the village filled with the musical scarecrows and exciting to welcome so many visitors too.

Our 'Glastonbury Festival' display looked fabulous in the sunshine and we hope that everyone enjoyed trying to pick out their scarecrow from the crowd. You can imagine how thrilled we were to find out that we had won a 'Highly Commended' award because everyone in school had got involved. We gave ourselves a big cheer in assembly this morning and gave Mrs Spencer a special mention for creating the stage for us. We will display the plaque with pride at school.

Thank you to the event organisers for allowing us to get involved and for putting together such a great weekend for all the children and families of the village. We are proud to be part of this wonderful community!

Thank You

Big thanks to Paul and Alison at the Crooked Billet for hosting the Hog Roast in aid of school funds last weekend – and to all of you who turned out to support them. We are looking forward to seeing them in assembly next Friday to say thank you.

Next Friday is 'Break the Rules' Day. Which rules will YOU break? Check out the letter sent home last week to see which rules you can pay to flaunt!

This week's winning team is:
EXTWISTLE Well done to the yellow team! What a fab year you're having 😊

Keep on Running!

Congratulations to the Year Three and Year Four cross country team who took part in an event at Towneley Park last week. The sunshine disguised the fact that the ground was very muddy but the children (and their parents' washing machines!) found that out once they had set off! We are very proud of all the children who made it into our team and thrilled to tell you that four of them have made it through to the Borough Finals.

Family Camp Out

There is still space for any last-minute bookings at the beginning of next week so please let us know if you fancy an evening of fun and friendship on the school field next Friday. We are looking forward to seeing as many campers as possible.

We're Ready for Wimbledon!

As will have already seen, Years Three and Four have had a very busy sporting calendar. They had cross country last week and tennis this week! We sent two teams to the tennis tournaments and were delighted with the manner in which they conducted themselves. We were very proud indeed.

Here is the Year Three team who came away as winners this week. Their beaming faces say it all!

And congratulations to our Year Four team who were beaming in the sunshine too! Well done 😊

African Animal Safari

Last week Mrs Burrows treated Year One to a day of learning about African animals at Blackpool Zoo as part of their 'Out of Africa' topic. The children were keen to find out more about the animals they had been talking about in class and to see them for real.

Mrs Burrows has been taking children to the zoo for years and finally, this time, she got a sunny day.

The children had a great time and found out lots more about the animals' habitats. They also found out about the threats that face some of the animals they have been studying and how important it is to look after them.

Natural Art

During their Forest School session this week, Year Five looked at the work of artist Andy Goldsworthy. Andy is famous for creating really beautiful structures and sculptures from natural objects. Year Five enjoyed trying to create their own pieces of art in a similar way and they did a great job!

Class Photographs

The class photographs are on display in the school entrance if you would like to come for a look before purchasing a copy. What a motley crew we look!

After-School Club Assistant Required

Our After-School Club, Dawn to Dusk, is looking to recruit a Club Assistant to work on Fridays from 3.15pm to 5.45pm, with the possibility of other casual hours as required. Responsibilities include preparing a snack, setting up and putting away activities and supervising the children with a range of fun activities. You would be required to hold DBS clearance for this role. If you are interested or would like more information, please contact Miss Laura Holden on 07842164108.
