School Closes

EASTER HOLIDAY

April

Tues 23rd School Opens

Here's to you, Mrs Robinson!

We can't quite believe it but today has been Mrs Robinson's last day at our school as she heads off to start her well-earned retirement. Mrs Robinson has worked at our school for over 20 years, looking after the Celebration Assembly awards and having responsibility for First Aid in school for many of them. Mrs Robinson has worked incredibly hard for the children and families of Worsthorne School, always lending a helping hand or a caring word where needed.

One of the funniest memories of my headship has been Mrs Robinson and I on a three day First Aid course, bandaging each other and repeatedly having to put each other in the recovery position. The best bit for Mrs Robinson was probably when she beat me in the exam at the end!

It has been a pleasure working with Mrs Robinson and I know that we are all going to miss her. Mrs Robinson, we wish you a long, happy and sunny retirement!

Number Day 2019

This week, schools around the country have been supporting the work of the NSPCC by holding Number Days for the children and their families. Miss North led our school in its support by putting together a quiz of Year Six mathematics questions for parents and grandparents and hosting a Coffee Afternoon with her class yesterday. It was lovely to see so many of you in school.

All of the classes contributed yummy cakes and Year Six helped out by waiting on the tables, showing our guests how to log on the Times Table Rock Stars and marking their completed test papers.

Lots of you had a go at the maths test but only xx managed to get full marks. The marking panel was red hot on making sure everyone had followed the instructions and shown how they worked the answer out.

Congratulations to those who won the maths games in the winners' prize draw and thank you all for your kind donations. We raised £244 for the NSPCC. ☺

Semi-Finals, here we come!

Congratulations to our football team who made their way through to the Hartley Cup semi-final round after beating Ightenhill 1-0 in the cup tie this week. The winners of the next round will play in the finals on the hallowed pitch at Turf Moor in the summer term. Well done to our team. We are very proud of you.

Tag Rugby

Well done to our tag rugby super stars who took part in a tournament this week. They didn't bring medal home but had a great time and, by all accounts, worked on their side-step dance moves too!

Gifted and Talented

Holly, Lexi and Niamh had a great time at Burnley College last week when they were invited to attend a session for gifted and talented sports people. We were very proud of them. Well done girls!

FRIDAY 8TH MARCH
Doors open at 6pm
FINAL CALL for all entries
to be in on the Monday
after half-term!

I'll huff and I'll puff...

Reception Class have been learning all about forces this week and were seeing how hard the Big Bad Wolf would have to huff and puff to bow down different objects in their classroom. As you can see from this picture, the children really put lots of huff and puff into the task!

Happy half-term!

We'll see you back, safe and sound after your week off, on Monday 25th February.
Have fun, everyone!

This Week's Awards

Student of the Week: Gabriella Duffy, Ryan Pinder, Jackson Ormerod, Esther Holmes, Joseph Holden, Joni Ladbrook and Olivia Kay.

Good Manners: Louie Woodruff, Lucas Norman, Tilly Wiggin, Eva Marsden, Ollie Taylor, Frankie Carter and Bodie White.
