## Easter Lunch

Easter Lunch will be served on Thursday of next week to all those who have ordered it. Please bring a packed lunch if you have not ordered this meal in advance. As the Easter Lunch will be a roast dinner, we won't be serving a roast on Wednesday. We thought we'd better let you know to avoid disappointed Wednesday diners!

If you'd like to get a sneak preview of what's for lunch in the coming week, please follow us on Twitter where we'll aim to post the menu for the following week each Friday.

## Come fly with us!

Year One had a fabulous time when they travelled to Manchester Airport this week to see behind the scenes of how the airport runs. They learnt about all the different jobs of the people that work there and had chance to try a few out. We think we may have a few future pilots in the class!

## Adventures on the River

On Wednesday, Year Five went to Towneley Park to release our trout into the River Calder. When we released the trout, a couple didn't really like the idea of being released and we could see that on the GoPro. Next, Helen and Steven from the River Trust went river dipping and we were able to look in trays at what our trout might be feeding on while they are fry (baby fish). After that, we discussed river safety and Neil demonstrated how we could save someone from the river and showed us what equipment we could use. Later, we practised fishing with fly rods to try to get it into a hoop. After lunch, we stayed in a room to do other activities on how to save the environment and Neil showed us the geomorphic river table and we could see how erosion affects farmland and how rivers change course. Then we walked back to school.

## Decorated Easter Eggs

Don't forget that you have all been invited to get creative and decorate some Easter Eggs for an egg-stravanga of a display in the hall on Friday afternoon next week. Parents and grandparents are welcome to come and view the display from 2.30pm and there will be a little thank you gift for every child who takes part. We can't wait to see your amazing creations.

# Easter Holiday Challenge 2019

<p><b>Activity 1</b>            22<sup>nd</sup> April is World Earth day. Go to <a href="http://www.earthday.org">www.earthday.org</a> to find out how you can do your bit. Research some facts and then make a poster to share what you have found out.</p>	<p><b>Activity 2</b>            Find an Easter or Spring themed recipe and cook or bake a tasty treat. Write down the ingredients and method and take a picture before you eat it all!</p>	<p><b>Activity 3</b>            Get growing!            Plant some:            Cress seeds to make egg heads, or            Beans to watch the roots and leaves grow, or            A sunflower and see how tall it grows? Send us a picture and a description of what you did.</p>	<p><b>Activity 4</b>            Why not head outdoors for a Spring bike ride and write a list or draw a picture of all of the different wildlife you spotted on the way – keep your eyes open for plants, flowers and animals!</p>
<p><b>Activity 5</b>            April is the month for the London Marathon, go for a walk or jog and draw or print a map showing the route you took and how far you went. Why not try to beat your time or distance next time?</p>	<p><b>Activity 6</b>            Get crafty! Make a card, gift or keepsake on a Spring or Easter theme. Try to use recycled materials if possible and be as creative as you can!</p>	<p><b>Activity 7</b>            Take part in an activity at a Children's University Learning Destination and write a 50 word review. Don't forget to check out our FREE App to help you find places to visit</p>	

Collect extra Children's University credits during the Easter break by completing this challenge. Each activity is worth 1 credit. When you take evidence of your activity to your teacher or send it to your local Children's University. This could be a photograph, video, a work sheet, or writing!
