<u>ENGLISH</u> 10.45am – 12.00pm	<ol style="list-style-type: none"><li>1. Spellings for this week – 10 words on Seesaw from your key word list. <u>Science</u> 1.30pm – 2.30pm	I have put a list of scientific vocabulary that you need to know for our next unit on electricity onto Seesaw. Use a dictionary (book or online) to find and list the definitions of all these words. We will continue this science work on Friday.
<u>PE</u> 2.45pm – 3.15pm	The weather is a little better today so you should be able to get out into your yard or garden for some exercise, or you could exercise indoors. Here are some ideas that you can do for 30 minutes. Send me a video or a message to let me know what you have done. <ol style="list-style-type: none"><li>1. Youtube Joe Wicks workout.</li><li>2. Let's dance on youtube, wii or other games console.</li><li>3. Set up some circuits (like we do in PE in the hall) and spend 5 minutes on each one – e.g. step-ups, skipping, hula-hooping, burpees.</li><li>4. Do a daily mile around your garden.</li><li>5. Have a go at the ladder PE tasks I have put on Seesaw.</li></ol>
<u>Planning for tomorrow's writing task</u> 3.15pm – 3.30pm	Next week, I would like everyone to move to a new place in the classroom and sit next to someone different. Have a think about where in the classroom you would rather sit and who you can work well with. Tomorrow, I will ask you to write me a letter with your request – I will tell you exactly what needs to be included in your letter so don't write it yet but make some notes or talk it over with someone at home.
