

## Extension Activities

These are some suggestions that your child can do after their English, Maths and PE. Remember to take photos and pop on Seesaw. Do these in any order.

- Use the Oxford Owl and work through the bookshelf. You could even try books for younger or older children.
- Use the Top Marks link and play some games, explore different topics or get ideas for independent projects.
- Cooking / baking with an adult if they are available - Make anything you want.
- Use the links on the BBC website and create your own mini topic about World War II.
