

YEAR 6 HOME LEARNING MONDAY 25TH JANUARY

		COMPLETED	UPLOADED
<u>MATHS</u>	<ol style="list-style-type: none">1. Watch this BBC bitesize video and have a go at the questions to get ready for this week's maths lessons on coordinates.2. Here is the link to the video for today's lesson; https://vimeo.com/4812145253. The worksheet is on Seesaw.4. Don't forget TTRockstars – I have set up a tournament.		
<u>Spelling</u>	<ol style="list-style-type: none">1. Read the instructions and look at the word list I have put on Seesaw.2. Write and upload at least one sentence today and then one every day this week.		
<u>English</u>	<ol style="list-style-type: none">1. Follow this link to the next lesson on non-chronological reports: https://classroom.thenational.academy/lessons/to-plan-the-opening-of-a-non-chronological-report-6dk6ce?activity=video&step=12. I would like to see – on Seesaw – the following:<ul style="list-style-type: none">• Your warm-up sentence, using a formal conjunction• A plan for your opening paragraph, including the points mentioned in the video.<p>DO NOT WRITE THE OPENING PARAGRAPH! THIS LESSON IS ABOUT PLANNING.</p>		
<u>Guided Reading</u>	Login to Bug Club and continue reading. Don't forget to click when you see a bug and answer the questions.		
<u>Science/Topic</u>	<ol style="list-style-type: none">1. There is an example, instructions and template on Seesaw for today's activity.2. Either, use the template provided or create your own set of fact cards – one for each of the planets of our Solar System.3. Upload your work or send me a photograph or your cards.4. You might want to work with a partner or play a game against them with your own cards.
