English - Using your notes from yesterday, create your own information page for a magazine all about chocolate? This should have a similar design to the Loch Ness Monster magazine article that we created in the Autumn Term.

Things you should include:

- A heading
- Subheadings
- Captions
- Bullet points
- Your own chocolate recipe!
- Some of the new words you learned from yesterday.
- An introduction for your page

Think about all the Year 4 writing skills that you have been taught. Read your information page out loud and edit any spelling or punctuation.
