

Friday 29th January

Do your work, take a pic and pop it on Seesaw so I can give feedback.

Spellings - (prefix 'ex' meaning 'out')

Your weekly spellings are: exit, extend, explode, excursion, exchange, export, exclaim, expel, exterior and external.

I'm hoping to post a video of the spelling test on Friday. Alternatively, get another person at home to read out your words whilst you write them.

English (You have 1 hour and 20 minutes for this)

Orally retell the story so far. [\(click here if you want the story\)](#)

Write your own chapter of what you think will happen next.

What will happen to Lucy? Where will she end up? Will anybody (humans) see her? What will Agatha and the family do when they wake up? Will they go after her? Are they all in danger?

When you write your chapter, think about all the writing techniques that you have been taught and see how many you can use in your chapter. Can you include any of the new words that you have explored this week?

Read back your chapter out loud and check your spelling and punctuation.

Friday afternoon after reading

This Friday afternoon is going to be a catch up afternoon. Finish and post any English or Maths tasks. Make sure you have completed the PSHE, Music and Geography sessions from this week.

You could visit MyMaths and make sure all lessons have been completed. Visit the scores tab and read my feedback. If you haven't scored over 80%, have another go. Then you could play on the Maths games on there.

If you have done brilliantly on all the tasks, you could do something creative and post on the Blog. Have fun!!
