

## Year 2 Weekly Plan for home learning

WB 01/02/2021

	Mon 1 <sup>st</sup> Feb	Tues 2 <sup>nd</sup> Feb	Wed 3 <sup>rd</sup> Feb	Thurs 4 <sup>th</sup> Feb
Reading	Bug club reading book- please read for at least 20 minutes and answer the bug icon questions.	Choose a book you have already read- it could be a bug club one or any other you have at home. Have a go at drawing a map of the places from your story. See how much detail you can include.	Bug club reading book- please read for at least 20 minutes and answer the bug icon questions. Write a character description of one of the characters from your book. You could draw and label your picture if you wanted.	Bug club reading book- please read for at least 20 minutes and answer the bug icon questions.
Writing	Tune into zoom at 9.15am The recording will be uploaded onto seesaw afterwards for those who can't make it.	Tune into zoom at 9.15am The recording will be uploaded onto seesaw afterwards for those who can't make it.	Tune into zoom at 9.15am The recording will be uploaded onto seesaw afterwards for those who can't make it.	<b>Tune into zoom at 10.45am</b> The recording will be uploaded onto seesaw afterwards for those who can't make it.
Spelling	We will start our zoom sessions with spellings. No independent activity today.	We will start our zoom sessions with spellings. Practise your spellings- the list is on seesaw.	We will start our zoom sessions with spellings. Practise your spellings- the list is on seesaw.	We will start our zoom sessions with spellings. Practise your spellings- the list is on seesaw.
Maths	Make Tally charts. Watch the video on seesaw from White Rose hub then complete the activity. There is no sheet to go with the activity today- it asks you to make your own tally chart. Have a look at your window and tally the things you can see.	Make tally charts 2. Watch the video on seesaw from White Rose Hub then complete the activity sheet.	Draw Pictograms Watch the video on seesaw from White Rose hub then complete the activity. There is no sheet to go with the activity today- it asks you to make your own pictogram whilst on a walk or carry on watching the video and make a pictogram from the 'virtual' walk.	Draw Pictograms 2 Watch the video on seesaw from White Rose Hub then complete the activity sheet
Maths Key skills	Counting in 2's. Practise counting up and down in twos starting from different numbers.	Counting in 5's. Practise counting up and down in fives starting from different numbers.	Counting in 10's. Practise counting up and down in tens starting from different numbers and not just multiples of tens eg. Start from 3 then count 13, 23, 33, 43 etc.	If you have mastered counting in 2's, 5's and 10's then have a look at counting in 3's. Write the numbers on a piece of paper counting in 3's and spot any patterns then get practising.

Picture of the Day	See picture of the day activity on seesaw. Please choose ONE activity to complete- I DO NOT expect you to complete them all! There is a range of activities from ones that will take five minutes to complete to ones that will take an hour or more!	See picture of the day activity on seesaw. Please choose ONE activity to complete- I DO NOT expect you to complete them all! There is a range of activities from ones that will take five minutes to complete to ones that will take an hour or more!	See picture of the day activity on seesaw. There is a range of activities from ones that will take five minutes to complete to ones that will take an hour or more!
PE	I have added a PE file onto seesaw. Please choose one activity, a day to do- if you are feeling super active you could maybe choose two activities that day. Can you get your family to join in with you?			
Other	<a href="https://classroom.thenational.academy/lessons/reading-and-writing-rhythms-75j3ad">https://classroom.thenational.academy/lessons/reading-and-writing-rhythms-75j3ad</a> Music- Reading and writing rhythms In this lesson, we will be learning to read and write rhythms, recognising rhythms from our favourite songs and playing rhythm games.	<a href="https://classroom.thenational.academy/lessons/same-or-different-cthkac">https://classroom.thenational.academy/lessons/same-or-different-cthkac</a> PSHE- Same or Different In this lesson, we will be learning about the similarities and differences between you and others. We will meet some characters telling us about themselves, including their appearance and their interests. You will then create a Venn diagram comparing yourself to someone else.	<a href="https://classroom.thenational.academy/lessons/which-materials-are-absorbent-6tk3er">https://classroom.thenational.academy/lessons/which-materials-are-absorbent-6tk3er</a> Science- Which materials are absorbent? In this lesson, we will be learning about absorbency. We will test and compare the absorbency of a variety of household materials. You will need a piece of paper and a pencil to complete today's lesson. For the experiment, if you would like to take part, you will need: a sponge or cloth, plastic bag or cup, foil, cardboard or paper, cotton wool or tissue. If you do not have these materials, you can watch me complete the experiment while observing the outcomes.	<a href="https://classroom.thenational.academy/lessons/why-did-moses-lead-the-israelites-out-of-egypt-cgu30d">https://classroom.thenational.academy/lessons/why-did-moses-lead-the-israelites-out-of-egypt-cgu30d</a> RE- Why did Moses lead the Israelites out of Egypt? In this lesson we will learn all about another very important prophet in the Jewish faith: Moses. We will see how Moses began life as a prince, before leaving Egypt and then returning to free the Jewish people from the Pharaoh.
