

YEAR 6 HOME LEARNING MONDAY 1ST MARCH

<u>MATHS</u>	<ol style="list-style-type: none">1. Arithmetic – there are 8 short multiplication questions for you to answer. Please do these BEFORE today's maths lesson as it will help you to achieve the learning objective.2. Here is the video link for today's lesson or you can join the live lesson at 9.30am. https://vimeo.com/4906907643. The worksheet will be on Seesaw.
<u>Spelling</u>	This week we are going to look at the use of hyphens to create compound adjectives. Work through the presentation and make a list of your 10 spelling words at the end.
<u>English</u>	Read chapter 2 of 'The Wizard of Oz'. Here is a link to an online version if you don't have your paper copy. https://etc.usf.edu/lit2go/158/the-wonderful-wizard-of-oz/2748/chapter-2-the-council-with-the-munchkins/ When you have read the chapter, complete the task I have set on Seesaw.
<u>Guided Reading</u>	Bug Club – there are some classics texts on there for you that you must read before coming back to school.
<u>Science</u>	Today, you are going to learn about the circulatory system and how nutrients (from our food), water and oxygen are transported around our bodies. Here is a link to a BBC bitesize – What is the circulatory system? https://www.bbc.co.uk/bitesize/topics/zwdr6yc/articles/zs8f8mn After you have worked through this page, click on the next links to find out more about 'What's in your blood?' 'What are blood vessels?' 'How does your heart work?' There are 3 versions of this task, number 1 is easy, number 2 is slightly more difficult, and number 3 is more challenging. Choose one of them to complete – think about which one I would ask you to do! 1. Read the information text on the circulatory system and answer the questions.
<u>Zoom Lessons</u>	Here is the zoom link for all lessons this week. Please note, the Friday assembly link is different and will be sent out later in the week. Meeting ID: 212 861 9542 Passcode: Year 6
