

YEAR 6 HOME LEARNING MONDAY 8th FEBRUARY

<u>MATHS</u>	<ol style="list-style-type: none">1. This week, we are going to learning about volume and how to calculate the volume of a cuboid. I have set some lessons on Mymaths for those of you who always want to do more. You won't be able to access some of the lessons until Wednesday or Thursday.2. Here is the video link for today's lesson or you can join the live lesson at 9.30am. https://vimeo.com/5085073703. The worksheet will be on Seesaw.
<u>Spelling</u>	<p>Spelling this week is focussed again on the statutory words for Year 5 and 6. You will need to identify the wrong spelling within each sentence and write the correct word. There are 6 pages with 16 sentences on each page. Work your way through them between today and Thursday – I expect all pages to be completed before the end of the week.</p>
<u>English</u>	<p>This week, we are going to write some Haiku poems and, if you want more of a challenge, some cinquain poems. You all learned how to write Haikus in Year 4 so this is going to be a nice easy week. Join me in the live lesson at 11.15am or catch up later by watching the lesson on Seesaw.</p>
<u>Guided Reading</u>	Bug Club
<u>PE</u>	<p>Join me at 1.30pm for an introduction to this afternoons PE lesson which is gymnastics. There is a lot to get through so I am only giving you this lesson for the afternoon. PE is part of the curriculum so everyone should be taking part. I would like to see a photograph or video of your gymnastics routine.</p>
<u>Zoom Lessons</u>	<p>Here is the zoom link for all lessons this week. Please note, the Friday assembly link is different and will be sent out later in the week. Meeting ID: 212 861 9542 Passcode: Year 6</p>
