English- Fantastic Beasts

Today, you are going to write a report on your fantastic beast that you created yesterday. Write in the style of the National Geographic for Kids fact files:

[\(Great White Sharks - click here\)](#) [\(Black Bears - click here\)](#) [\(Leopards - click here\)](#)

Remember you are writing in this style about your beast that you created yesterday.

Write ten facts that include:

- your creature's name
- where you might find it
- size
- diet
- natural habitat
- any special features it has, e.g. sharp teeth to catch its prey.

Include some of the expanded noun phrases that you used in your drawing and think about your Year 4 sentence types that you have learnt at school.

Remember to check and edit your work for spelling and punctuation errors when you have finished.
