English - Today you are going to think about **who inspires you**.

Warm Up - Write a sentence with a relative clause.

Maybe **Captain Tom** has inspired you. Click on the link to find out what he did:

Maybe a family member inspires you, or maybe a member of your local community. Think about who inspires you and write a paragraph about who they are and why they inspire you.

After researching the inspirational people this week, how do you feel? Have you been inspired?

Write another paragraph to explain who and what has inspired you this week and how this might influence your actions in the future, e.g. After reading about Greta Thunberg, it has made me consider how everybody's actions affect the environment. From now on, I will consider how I can help my family to be more environmentally friendly.
