

Dear Parents,

What an amazing start to the new term. It was lovely to see all the excited (and tired!) faces on Monday after they had enjoyed celebrating Halloween and a fun filled half term. Our School Adviser visited us on Tuesday and was 'blown away' by what he saw. I am a very proud Headteacher 😊

### **Traffic/Parking/Road works**

I fully appreciate that the current situation outside school with the traffic lights and the housing development is causing some issues and parking is becoming difficult. However, it does concern me that cars are parking half on the road and half on the footpath and parking in the bus lane. This is, at times, causing a blockage for oncoming traffic coming through the lights and putting our children in danger. Parents are finding it difficult to walk along the footpath with their prams.

We have also contacted the contractors for the housing development to ask them not to park their work vans on the pavements too. They have been asked to use the lay by further down the road.

My priority is the safety of our children and families. Please be mindful of where and how you park.

Many thanks

## Children in need 2021 19<sup>th</sup> November 2021

A message from our Chair and Vice Chair of our School Council...

This year the theme is, 'Do good, feel good.' We thought it would be a good idea for children and staff to come in sports wear. You could dress as a famous sports person, wear your own team kit or come in sporty clothes. Children in need is on the 19th of November so please donate £1.
