Worsthorne Primary School

Spring 2

12th March 2021

It has been so lovely to have all the children back in school this week and to finally meet you all. I have loved welcoming you all into school in a morning and seeing how hard you are all working throughout the day. I have especially loved seeing your smiles, seeing you chat and play with your friends and seeing how happy you are to be back ☺. It has been great to meet all our parents and grandparents too and to put a face to a name! You have all made me feel very welcome.

Many thanks for your perseverance in drop off and pick up times. I know the time frame is tight and there are times where you are waiting a while. I do appreciate your understanding in this and the reasons why we have to do it this way. Thank you!

Our Superstars this week:
Students of the Week:

Reception: Noah Class 1: Sophia Class 2:Aibhlinn Class 3: Holly Class 4:Francis Class 5:Esther Class 6: Jackson

Kindness Award:

Reception: Lucy Class 1: Bear Class 2: Elliott Class 3: Summer Class 4: Harrison Class 5: Luca Class 6: Mia

Well done everybody! ☺

THIS WEEK'S WINNING TEAM IS WATER

We have celebrated Science Week this week throughout school. Reception class were 'Out of this World' this week and have amazed me with their knowledge about our Solar System. They made their own Non-Fiction books that were amazing!

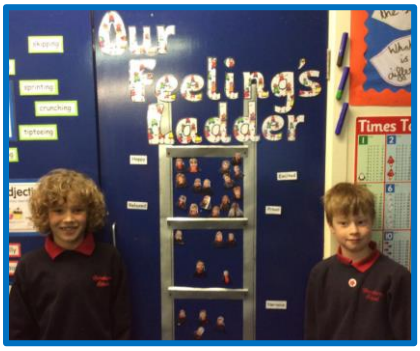

Class 3 invented machines to help them clean their bedrooms and made an advert which they took to 'Dragon's Den'. Mrs. Kayley is deciding on the winning design!

They also looked at oil spills in the ocean and investigated which materials would clean up the oil the best.

All classes have had great fun! There has been a real 'buzz' around school.

This week we have started our 'Bounce Back' PSHE unit where we have been discussing lockdown and our feelings and emotions. Each class has created a feelings ladder. We have discussed empathy and what this is and how we can understand how our friends might be feeling. The children are fully engaged in this and there have been many great discussions.

Next week our theme is 'Guardian Angels' and the importance of kindness. We are already looking forward to the activities that are planned, especially being 'Guardian Angels' for each other (staff included!)

Friday 19th March-Non-Uniform Day

RED NOSE DAY

Come to school wearing red and bring a donation to this amazing cause!

Bring your best jokes too that we can share to make ourselves laugh (Please make them better than Mr. Lomas')

We are collecting bottle tops for an art project for our school entrance. Please can you collect and wash the tops and send them into school. You can send them in a bag once you have a good amount if you like. We will then store them for 72 hours before touching them to follow our Covid-19 Risk Assessment.

Thank you so, so much for your generosity in buying books for our school.

We have sold 116 so far, which is fantastic. We still have a few more to go...
