

Busy Bees

Lots has been happening in Reception this week.

We have been continuing our settling in and getting to know all of the new routines. The children have been exploring the environment and resources. We have had another PE session in the hall. Friendships are blossoming and we have loved watching the interactions. Dinner times have been exciting as the children have gained confidence and they are playing on the 'big' yard. We have even been into an assembly! A huge well done to Reception!

We have done a little topic on one of our favourite books, 'Elmer', and looked at how our differences make us special. Some super discussion and work from the children.

Drop Off and Collection

Another huge well done. The children have put a smile on our faces!

How amazing it has been to see the children come in so confidently in the mornings!? Thank you for your support.

Donations

A big thank you for your kind donations. We already have some fabulous ideas on things that may spark the children's imaginations based on their interests so far 😊

Any donations can be handed in at the school office or put in your child's red bag.

Reading Books

Thank you for your engagement with this at home. At this stage, it is about the joy of sharing and talking about a book together 😊
