

Dear Parents

Thank you so much for all your kind donations of food for our collection for Burnley FC in the Community Kitchen. If you would still like to donate items then please send them into school next week as we now have another week until they are being collected from us.

THIS WEEK'S WINNING TEAM IS EARTH!

'It has become necessary to temporarily change the current spring summer published menu and to replace this with a simplified temporary menu alternative. This has become necessary due to the ongoing difficulties being encountered with food product availability and delivery consistency. The simplified temporary menu offering will take effect from the 4th October and will be in place for a 3-week period.' **Lancashire County Council**

Due to this, children will be asked to make their choice on the day rather than pre-order their food. Please find the temporary menu attached. We are on week 1 of the temporary menu.

Following advice from Lancashire County Council Health and Safety Team, I am asking that dogs do not come onto school grounds. This is for the safeguarding of children and families and for the welfare of the dog.

Car Park

Please do not use our staff car park for dropping off your children at school. This includes when dropping off or collecting from Dawn to Dusk. Thank you.

Our running stars!

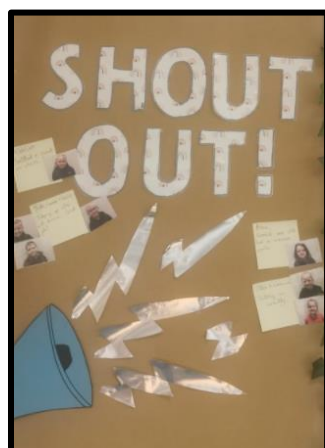

Seven children from Year 2 represented school in a Fun Run at Towneley Park. The children had to run approximately a mile, stopping at stations along the way to complete challenges. Mr. Lomas and Mrs Cockett thought all seven children were fantastic. Thank you to the parents who transported and supported the children.

Well done everyone 😊

Shout out boards

In our classes we have a 'Shout Out' board. This is to celebrate children who are amazing! Children who are working hard, making the right choices, impressing us with their kindness and friendships, being resilient, being involved in out of school activities...anything at all that 'Wows' us! The aim is for each child to try and get on their board each week.

We are impressed with the number of children that are getting a 'Shout Out!'.

We even have a staff shout out board too

As you know, last year we raised just over £2000 to improve our school garden area. Over this term, the School Council, along with the help of the children in school, will be developing their ideas on what they want our garden to look like. Morrisons are currently offering schools a chance to earn points that go towards equipment for school gardens such as wheelbarrows, gardening tools, pots and seeds. If you or any of your family members shop at Morrisons, please can you download the MyMorrisons app and start collecting Grow Tokens for our school.

What a rainy week we have had! Please ensure that your child comes to school with a coat every day.

Can you also check your child's uniform to see if they have someone else's by mistake. We have a few items of uniform, that have names in, that are missing.

Thank you

Alistair, Molly and Noah were all awarded with a Chief Scouts Bronze Award at Beavers!

We are super proud of them!

Well done 😊

Our new School Council

Luca has been voted to be the Chair of our School Council and Louise is our Vice Chair. I am sure that they will do an amazing job in their new roles...More to come from Luca and Louise soon.
