

Can you believe it?!

Your children have completed their first half term of school! How time flies when you are having fun.

It was lovely to speak with most of you on Parent’s Evening and share how well the children are settling into school life. I think that a well-earned rest over the half term break will be a great refresh ready for next half term.

Autumn Term 2 is always a busy one, but it is also one of the most exciting ones too! We have Diwali, Bonfire Night, Remembrance, and of course the big C! (Shhh, we do not mention that one just yet, but come December, we will be in full swing!)
