

Dear Parents,

What an amazing half term we have had! It has been so lovely to have school feel like a school again and to be able to welcome you into school for our Parents' Evening. It was great to put faces to names! There was a real 'buzz' in the hall and I received many positive comments. The children (and staff!) have worked so hard and absolutely deserve a rest next week. Thank you for all your continued support. It really is appreciated ☺

Our School Charter

In school we have a charter which we all know and try our best to follow. A competition was launched where the children were asked to design pictures to match each of our promises. Our School Council had the very important job of choosing the winning designs. I think you'll agree they are fantastic. Well done Anna, Brooke, Lyla and Erin!

Year 1 have been busy over the last two weeks writing their own stories and publishing their own books. They enjoyed reading their stories to our reception children. Look at their smiles 😊 Well done!

A message from Mr. Parsons...

Children in the combined Year 3 and Year 4 Forest School Group have been very busy in Forest School over the last couple of weeks. They have been learning new skills and putting them to good use. They now know how to use a panel saw and an electric screwdriver safely...which we're sure you'll agree is pretty good for children aged between 7 and 9. The children are pictured with the end results of their efforts, four splendid outdoor easels, which will be used by children from all years when they paint or draw whilst they are in Forest School for years to come.

A big well-done to the children involved 😊
