Another Great week

The weeks seem to be flying by! Another great week in school! Lots of enthusiastic and engaged children enjoying school ☺. Our children had their class photograph taken this week. The proofs should be with us in the next couple of weeks. I had a sneak peek and they look great! Thanks again for all the bottle tops/lids being sent into school. Keep them coming in as we still need more! ☺

THIS WEEK'S WINNING TEAM IS FIRE!

Aston's Trek!

Aston, in Reception Class has amazed us all! Last weekend he walked 21 km from his house all the way to Hebden Bridge! What a long way for little legs ☺.

The walk took him 6 hours to complete, which included stopping off for lunch and yummy ice cream! After such a long walk, he also had pizza for tea!

Well done, Ashton. We are all super proud of you.

Miles is an author!

During Lockdown, Miles entered a writing competition and I am delighted to say that his entry has been chosen to be published in a young writer's anthology! Miles wrote about a scientist who invented a time machine and went back to the land of dinosaurs!

Well done, Miles. We think you're amazing ☺

Sunflower Challenge

Every child in school (and the adults) have planted a sunflower seed today. We are challenging you all to grow the tallest sunflower. We would like you to look after your sunflower at home, taking good care of it and return it to school when it is ready to be planted outside. We will plant them in our garden area that we are 'revamping' and around school. We would love as many as possible to be returned.

Good Luck!
