

A full week!

We are so proud of the children for completing a full Monday- Friday week at school. We have had a hot few days, but have made the most of the September sunshine and the shaded outdoor garden.

Our PE session on Wednesday was great. We even managed to get some apparatus out on our very first session because the children were so eager and ready to go!

The children have been settling in with routines and getting to know each other all week. They have been showing us what they can do through their play and some activities with adults. A great start!

Drop Off and Collection

From Monday, you will see myself (Mrs Cockett) at the front entrance of school for morning drop off.

We are encouraging children to say goodbye at the school entrance and walk around to class.

Please know that we will have staff members spread out along the route to keep guiding the children the right way and to help them if they feel unsure.

Mrs Reynolds will be ready to greet your child and help them to put their belongings in the right places.

Collection- We will bring all of the children around to the front of school at the end of the school day. Rather than come around to class, we will have all the children with their things and bring them to you. You can stand at the front of school along the path, and we will send your child to you. This will be at 3:30pm. ‘

We appreciate your patience and understanding as we get the children used to this routine.

Please check your child's red book bag daily. There may be slips (like this one shown) if we need to pass a message on.

Donations for Resources

We love to engage and enthuse children through the enhancements we provide in our classroom. Children take learning to places that we can never predict and we LOVE to go with this! In order to completely immerse the children in their own learning, and embrace their ideas/interests we are asking parents for a voluntary contribution of £10 per term or £5 per half term, to allow us to purchase specific resources that will benefit the class of children. For instance, during seasonal events such as Chinese New Year, Valentine's, Easter, Bonfire Night, Christmas, etc., we will use the donations to provide resources linked to these events. If a child has a fabulous idea, we want to ignite this further by wowing them with provision linked to their interest.

We can get creative with our baking, playdough making, potion making, slime making, messy play and so much more with the help of your contributions. This is specific to Reception Class as resources are rotated quickly and are often in need of replacing frequently. All donations are greatly appreciated and will directly benefit the children.

This can be sent in your child's book bag or handed to a member of staff in the school office. Thank you 😊

Forest School on Tuesday

A reminder to send your child to school in their forest school kit this Tuesday coming (14th September).

Your child will need uniform to change into for the afternoon.

Mrs Hobley has sent out a detailed letter about this to your email earlier this week 😊

Team Points!

All of the children have been told which Team they are in.

These are **Water (blue)**, **Fire (red)**, **Air (yellow)** and **Earth (green)**.

This is a whole school focus, with children from every year group making up the different teams.

Children receive team points for numerous things, and lots have already been given out in Reception Class this week 😊

At the end of each week, there is a winning team! At the end of each half term, the points are added up and the winning team will get a special reward.

Do not forget to keep having a look at your child's Seesaw throughout the week.
