

Reception Class Newsletter

8th October 2021-2022

Our Learning:

Sounds we have covered so far: s, a, t, p, i, n, m, d

This week has been all about the number 2 and representing it in different ways.

We have been looking at autumn colours and harvest. We have compared our harvest in the UK to the fruits of Africa. Children loved the story 'Handa's surprise' and have really enjoyed trying a variety of fruits.

The children requested that our home corner be changed to a shop. The children helped change the role-play and have really enjoyed selling fresh fruits and vegetables.

Phonics for parents

Tuesday 12th October
5:30pm School Hall

Miss Scofield- Your children may mention Miss Scofield. Miss Scofield is a student who is working with us throughout the year, whilst studying for her Level 3 in Early Years and Education.

We are very lucky to have her here.

HELLO YELLOW!

We were all yellow! We talked about the yellow colour monster, who represents the 'happy' feeling.

The children have enjoyed making their own feelings jars, making our outdoor area yellow and dancing along to happy songs 😊

Puddle Suits

I am sure that you will be as excited as us to know that we have a new set of class puddle suits for the children to use in our outdoor area. As they say, there is no such thing as bad weather, if you have the right clothing.

Please continue to send your children with their coat every day and their own waterproof all in ones/ waterproof sets from home for forest school every Tuesday morning.
