Worsthorne Primary School

Spring 2

26th February 2021

Great news! We are so excited to welcome all our children back to school on Monday 8th March.

It has certainly been testing times but we have got through this lockdown together. Thank you once again for all your help, support and kind words.

I am currently finalising all the re-opening plans now that we have received Government guidance and will share this with you early next week.

We will still be operating our Bubble System, with staggered start and finish times. I am hoping that Dawn to Dusk, our Breakfast and After School Club can also run but need to ensure that I can protect the children within their bubbles and the staff.

School dinners will resume as they were in December, which is sandwiches with a warm option. The menus will be on the notice board each week. We will be back to providing a full hot menu after Easter.

Our Superstars this week:

Well done everybody! ☺

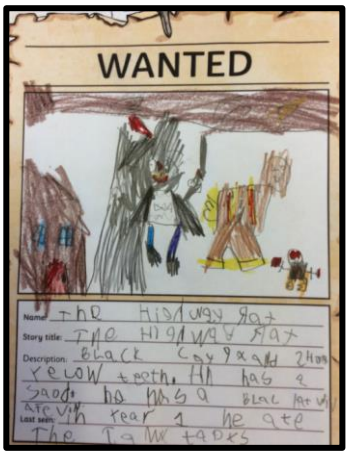
World Book Day-Thursday 4th March

Next week we are celebrating World Book Day. We will be focusing on reading and reading tasks throughout the week and will have some fun activities for the children to participate in both at home and at school. Mrs. Noon has worked hard on planning this. Please see her separate letter out on Monday for more details.

amazon.co.uk

We are in the process of creating Amazon Wish lists for each class as we are in need of new books for our class libraries. As we are struggling to arrange fundraising events in school, we thought by creating these lists, our parents may donate to school by purchasing a book for us. More details on Mrs. Noon's letter.

The Highway Rat has visited Class 1 this week and has stolen their jam tarts! The children have been busy making Wanted posters and designing and making traps to catch him. I had to hide my cookies in my office so that he did not pinch those too! The children have been so enthusiastic and engaged in their learning, which was wonderful to see!



Skipping Challenges and Ball Challenges

Well done for all your efforts in our challenges this week. We have especially loved watching your videos that you have uploaded onto Seesaw. We would love a few more next week please!
