Welcome everyone

Today, we are going to look at the pictures for the school competition.

Decide on winners.

Set a date for next meeting and set agenda – Children In Need.

Meeting minutes.

Luca (Chair of governors) welcomed everyone and thanked them for coming.

Today, we need to choose our competition winners. There have been some fantastic entries but we need to choose our winners.

As a group, we wited down the entries and sorted them into each school promise. A vote was made of every promise and pictures choosen as winners.

Luca set the next meeting for next Thursday, to discuss what we can do for Children in Need.

Each class is going to be given a School Council book to gather ideas.
